

CENTRAL LAKES REGIONAL PLANNING TEAM (RPT 13) WELCOME KIT

This welcome kit provides an introduction to the roles and portfolio of items within the team.

WELCOME

Hello and welcome to the Central Lakes Regional Planning Team (CLRPT). You, along with your CLRPT partners, will ensure that thousands of students across the region gain insight and access into the college pathway this year. This Welcome Kit provides a brief introduction into roles and portfolio of items within the team.

MISSION STATEMENT

We introduce students, their teachers and parents to the college pathway.

- Through dual credits, we help students gain credit towards their OSSD and transition to post-secondary following dual credit policy
- Through events and activities for the elementary and secondary panels, we provide students and teachers with opportunities to explore potential pathways
- As a team, we deliver effective programs, meeting stated goals, while collaborating successfully

ABOUT CENTRAL LAKES REGIONAL PLANNING TEAM (CLRPT)

The Central Lakes Regional Planning Team (RPT 13) encompasses a geographical region that includes Simcoe County, Muskoka and Grey Bruce districts. The team is made up of:

- Georgian College
- Simcoe County District School Board
- Simcoe Muskoka Catholic District School Board
- Trillium Lakelands District School Board
- Bluewater District School Board
- Bruce-Grey Catholic District School Board

The team meets monthly, less July and August, to plan for and review programming that promotes the college pathway within the parameters set by the School College Work Initiative (SCWI).

ABOUT SCHOOL COLLEGE WORK INITIATIVE (SCWI)

The School College Work Initiative is a provincial organization that funds projects executed by Regional Planning Teams across Ontario. Through a Request for Proposals process, SCWI funds 16 regional

planning teams across the province, encompassing all school boards and colleges in Ontario. CLRPT is regional planning team 13.

SCWI receives funding from the Ministry of Education and the Ministry of Training, Colleges and Universities, and chooses projects that promote the mandate of assisting and creating a seamless transition for students from secondary school to college. Each year the Central Lakes Regional Planning Team submits proposals to SCWI for the delivery and outcomes of approved projects in our region.

The CLRPT must adhere to SCWI policies, meet SMART goals, provide a financial report and meet all deliverables of the approved proposal.

SCWI operates out of Oakville and includes project officers and liaison officers who communicate with RPTs.

RPT MEETING STRUCTURE AND EXPECTATIONS

- RPT meetings are held once a month during the school year
- Each board should have representation at each RPT meeting (see appendix for list of organizations in the RPT, the members and their roles)
- Key meetings are held twice a year (November, May) - the purpose of these meetings is to have key decision-makers at the table for each organization
- Meetings begin at 9:30 am and usually run two hours; key meetings run all day
- Meeting agendas are set by the chair with input from team members
- Meeting minutes with relevant action items for members are published after the meetings
- Subcommittees are sometimes created to handle subjects beyond the scope of a regular RPT meeting
- SCWI staff attend RPT meetings twice a year (fall, spring) to review SMART goals and data

DUAL CREDITS:

DUAL CREDITS are college courses delivered by college instructors to secondary school students. If successful, those students get credit in both high school and college. Dual credits are available at no cost to the secondary student. The target audience of a student taking Dual Credits is someone facing challenges graduating. This includes disengaged and underachieving students with the potential to succeed but who are at risk of not graduating from high school, students in a related Specialist High Skills Major program, OYAP students and students who have left high school before graduating.

RULES: Delivery of dual credit is governed by a ministry of education policy document. Copies are available through the RPT chair or found here: <http://scwi.ca/policies.php>

COURSE CODES: Unique secondary course codes are created for every college credit, designated by ‘T’ as fifth character, provide to ONsis/admissions and enrollment/IT for inputting in board student data systems for timetabling purposes. A list of codes can be obtained from the RPT chair or at scwi.ca

REGISTRATION & WITHDRAWALS

- Students that have been selected by the boards to have a seat in a dual credit course must be formally registered through the college
 - Dual Credit Registration now takes place through a Georgian College SharePoint site, found here: [Georgian College Dual Credit Registration SharePoint Site](#)
- Withdrawals from courses are accepted by Georgian College up until the third week of the dual credit course (with the exception of withdrawal for medical reasons, with documentation); spring compressed course withdrawals must be received prior to the second class
- A Georgian College withdrawal form must be completed with accurate information, correctly formatted; form must be word processed. Forms are available at [centrallakes.ca](#) under the DC Registration tab
- Student signature is required on the withdrawal form
- Withdrawal forms are submitted to the School College Partnerships office for processing
- Students who withdraw after the withdrawal date remain on the college roster and the mark they have accumulated up to the point of them leaving the class goes on their college transcript; students can withdraw from the secondary side of their dual credit course up until full-disclosure

RESULTS

- The CLRPT is committed to achieving excellence in actuals (filling the number of seats funded in a dual credit course), retention (the number of students who stay in the course) and success (the number of students who earn the credit)
- SCWI requires each RPT to use a SMART goals format for each year. RPTs select their own three goals to focus on each year; SMART goals are due to SCWI in October
- The CLRPT sets its SMART goals at the Strategic Planning Session in September. These goals hold us accountable as a team to the work we do during the year. See Appendix for the latest SMART Goals report.
- SCWI representatives attend a fall RPT meeting to review the previous year's SMART goals report and to review actuals, retention, success as compared to the provincial results
- SCWI representatives also attend a spring RPT meeting to review results of the current year to date compared to the previous year's provincial numbers
- See appendix for the current SMART goal report

SCHOOL WITHIN A COLLEGE (SWAC) is a program which also serves students at risk of not graduating, but instead, a student can complete their entire Ontario Secondary School Diploma on a Georgian College campus (in Barrie, Midland, Owen Sound or South Georgian Bay). Students will take a dual credit, one common high school course as a class and will complete their remaining credits through independent learning, on-line courses, credit recovery or co-operative education. Class sizes are small and students attend school fewer hours a day and fewer days a week than at a standard high school. Students are taught all subjects by the same secondary school teacher and benefit from exposure to post-secondary education by being surrounded by the college experience. Depending on the campus, SWAC is also sometimes referred to as FLEX.

OVERVIEW OF ACTIVITIES & EVENTS PORTFOLIO

ELEMENTARY SCHOOL ENGAGEMENT

PICTURE YOURSELF @ COLLEGE

Each fall, the Events Coordinator visits elementary schools throughout Simcoe Muskoka and Grey Bruce to deliver a presentation to Grade 8 students in an effort to introduce students to the college pathway.

GRIZZLY CUBS

Grade 8 students from across Simcoe Muskoka and Grey Bruce participate in one-day experiences on one of four Georgian College campuses (Barrie, Orillia, Owen Sound and Midland). Each day includes hands on workshops hosted by program specific faculty, a campus tour, and information about the college pathway.

SECONDARY SCHOOL ENGAGEMENT

PROGRAM HIGHLIGHT DAY

College level Grade 11 and 12 English students sample new programs offered at Georgian College via interactive workshops.

AFTER GRADUATION

College-capable Grade 12 students with no post-secondary plans attend a motivational day aimed at introducing them to choices in education and the work force.

FORUMS

When funding allots, the Central Lakes Regional Planning Team executes forums to help engage and educate our teaching partners across the school boards. Target audiences include:

- Dual Credit Instructors
- Dual Credit Champions
- Secondary School Teachers (Careers, Co-op, Student Success, SHSM)
- Elementary School Teachers
