

It is 11:50 pm - I haven't completed my assignment and it is due at midnight. Should I...

Contact my College Faculty?

Avoid the assignment

The professor might have a suggestion

If I don't, they might assume I don't care about the course

I will 100% get a fail on that assignment

If I stop attending, I will not pass the dual credit

Possibly extend deadline

Possibly accept it late and dock marks

Might not be able to make allowances

Great! Make sure that you meet this deadline

Great! At least you are getting some marks

It's OK! Focus on the rest of the assignments

This could impact graduating high school

My anxiety will rise

I might feel like I failed
